Press Release

US Commerce Association Selects BedRock Software Best of Washington Software Development Companies

WASHINGTON D.C., June 8, 2009 -- Bedrock Software LLC has been selected for the 2009 Best of Brush Prairie, Washington Award in the Computer Software Development category by the U.S. Commerce Association (USCA).

The USCA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USCA identifies companies that they believe have achieved exceptional success in their business category. These are companies that enhance the positive image of business through service to their customers and community.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2009 USCA Award Program focused on quality of business. Winners are determined based on the information gathered both internally by the USCA and data provided by third parties.

About U.S. Commerce Association (USCA): U.S. Commerce Association (USCA) is a Washington D.C. based organization. The USCA was established to recognize the best of local businesses in their community. Our mission is to be an advocate for businesses and business entrepreneurs across America.
